Amendment After Final Action	10/081,979

NOTES/COMMENTS:

Dear Examiner McCloud:

I am faxing this Amendment After Final Action (7 pages), in response to the Office Action mailed July 13, 2005, together with a PTO 2038 authorizing charging a credit card for the \$120 one month Large Entity extension fee. Also included herewith are copies of the marked-up specification and substitute specification previously submitted on June 17, 2004. The specification conformed the application to US style and practice and overcame the objections of the last office action, with no addition of new matter.

This Amendment After Final Action cancels all but the allowed claims 47, 48 and 50. Since the drawing objections dealt with features present in the now cancelled claims, no corrected drawings are being submitted.

This Amendment After Final Action places the specification, claims and drawings in condition for allowance. Further consideration and allowance are respectfully requested.

Thank you for considering this submission.

Sincerely,

M. Robert Kestenbaum
